## About Atlantis Institute

The Atlantis Institute was founded by Crystal Therapist and Teacher, David Ellis, who began his training in 1995 and qualified as a Crystal Therapist in 1997, he also studied Colour Therapy and became a Therapist in 1998.

In 2008 the Atlantis Centre was built in Gorey, County Wexford, Ireland where Atlantis Institute was created and facilitated courses and workshops in Crystal Therapy and Colour Therapy.

In 2019 David moved to Europe to teach to a broader audience and to relocate Atlantis Institute, however, quick on the tails of his move, COVID19 took a hold of the world and prevented any forward movement for 99% of the population. This is truly a time for reflection. To read more about David and The Atlantis Institute, [click here](#).

I'm better working with others in my learning process.  
I need guidance and direction
- Is this a Spiritual Course? Yes, all energy work is of a Spiritual Nature, as we form a connection with our Guides and with Source in order for them to carry out the work which we intend.

Will I become a powerful Healer?

If you THINK you are a Healer, you are not. We can only FEEL healing and that healing occurs in a realm beyond ours.

I do not want to incorporate Spirituality in my Crystal work:

Then this course is not suitable for you.

Will Psychology and Counselling form part of the healing work:

Yes, sometimes clients want to talk and as a therapist, its our job to listen, sometimes its as simple as that, whist other times we must identify that we need to pass our client on to a professional Counsellor.

I cannot meditate:

That is perfectly OK, we will have many guided meditation sessions so you will be able to connect with your Guides.

I do not want to work with 'high risk' clients, Depression, Addiction, Terminally Ill:

That is ok, you set your intention when you are ready to create your practice, and the right people will be guided to you. We will help you create that intention.

Is this Course accredited:

Yes, please see the accreditation page on the web for more details. But please know this. You must be prepared to work at a FEELING level and not an INTELLUCTUAL level. Your learning and connection is your true goal, not the certificate.

Your Courses are more expensive than some others out there:

Yes, because our courses have been written and executed and are examined by David Ellis and are not mass produced as with many courses online. Also our course price includes the tools required for your work.

Your courses are in Euro,  
but I am in the USA:

Although our courses are priced in Euro, overseas students are only charged the equivalent amount in their own currency. This is done automatically by your bank at the time of payment, so you don't have to do anything! Please keep in mind that currency exchange rates do fluctuate from time to time. Click [HERE](#)

Do I need to buy anything  
for this course:

All the tools you need are included, however, as you grow in your confidence, you will need new tools.
