WHO WE ARE

At Althris we are committed to teaching our students the very latest in industry-leading techniques and learning methods. From learning and development project support, to expert contractors, to training for agile and project management, we provide a variety of solutions that we have practiced and perfected over the years.

WHAT MAKES US DIFFERENT

We are of the understanding that no two businesses are the same which is why we provide a variety of solutions that we have practiced and perfected over the years, including interactive sessions and initiatives.

HOW DO WE HELP YOU DEVELOP

Our highly experienced trainers deliver fully accredited courses from industry leaders using bespoke training methods.

ALTHRIS TRAINING

8 REASONS FOR YOU TO APPLY TO OUR TRAINING COURSES

1. **Connecting to the Topic** – We have a team of experienced trainers that are on hand to connect you directly to the topics on offer. Giving an immersive learning experience for maximum benefit.
2. **Interactive, Shared experience** – An interactive learning experience is pivotal to the way we teach our courses. We feel that it is through these interactive lessons that the lessons taught can get really ingrained into the students.
3. **Action Packed Learning** – Learning doesn't have to be the run-of-the-mill classroom scenarios we all use to dread at school. We encourage action-filled lessons and interactive teachings so the course material is kept fresh.
4. **Unparalleled Material** – The content of our courses is of the highest quality and is industry-approved. Students will learn the latest course material that is available on the market.
5. **Concrete Practice** – We are huge proponents of practicing what you preach. This is why we get students to put their learning into action using real-life scenarios.
6. **Serious feedback** – Constructive feedback is encouraged throughout our courses as we feel it will be a huge benefit to students learning experience.
7. **Supportive trainers with a community of learners** – Our trainers are on hand to give students the help and support they need to excel in their chosen courses.
8. **Exam simulations** – We have exam simulations that are provided throughout our courses to help students pass with flying colours.
