Early Learning Environment Level 6

What is Early Learning Environment?

Early Learning Environment is an optional module. On this interesting course you will develop knowledge of the practical and theoretical concepts required to develop and maintain an inclusive early learning and care environment which is developmentally appropriate and reflects the Aistear and Síolta frameworks. You will learn how to create and manage meaningful learning opportunities and activities which meet the holistic developmental needs and emergent interests of children which promote children's rights and enable children to feel respected, valued and empowered. It can also be completed as part of the following major awards:

- Level 6 Early Childhood Care and Education 6M2007

Who should do this module?

This module is suitable for those who have already obtained a level 5 qualification in Early Childhood Care and Education. This module is also suitable for those who may already work in the childcare sector and would like to improve their skills and knowledge.

Successful completion of this module will provide you with the knowledge, skill and competence to prepare and maintain an Early Childhood Care and Education (ECCE) environment that supports the learning and holistic development of children.

Learner Review

I dont think so there is any need of improvements. I loved every single part. They met every expectation that I had. I find the learner pack of great use.
