Course Delivery - You have 3 options;

Self-Paced - You can start today

- Enjoy one to one Trainer support through Zoom, choose whether to have your learner pack posted to your home - (€25 optional if opting for the printed pack). 3 x 30 minute check-in / progress sessions with your trainer.

Blended - Learn with a group online

- Each module is delivered over 7 weeks through a blend of hour long online self directed learning and live Zoom sessions. Your learner pack is posted to your home.

Classroom - Traditional location-based training

- Have the course run at your organisation, book a local training room or attend one of our public courses. Each module is delivered in 3 hour sessions over a period of 7/8 weeks. We can tailor the sessions to your organisational requirements.

Entry Requirements

Applicants who hold a Level 5 Certificate, Leaving Certificate (or equivalent) or who have relevant life experience are eligible to apply for this module. Please provide details and attach a copy of CV or Certificate. Learners must reside or be based in Ireland.

Assessment and Certification

Safety Management is accessed through the submission of a project and an examination. Upon successful completion, this module leads to a level 6 minor award on the National Framework of Qualifications.

Career and Progression Opportunities

The successful completion of this module as part of a major award will allow students to pursue a career in healthcare supervisory management. Students who successfully complete this module may use their credits towards completing a higher level of study in the areas of Health and Social Care. If completed as part of a major award, students can use the Certificate as the basis for entry into selected courses in Third Level Colleges and Universities.
